This Statewide Contract is an AAR@ (Authorization Required) contract. Authorization is required before purchase can be made. The Authorization requirements and procedure is detailed in the attachment to the contract. Orders may be placed only after Authorization is received. This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Authorization Required: State agencies must coordinate their purchase with the Division of Information Technology Services (ITS) prior to placing their order with the contractor; please **contact David Lee at (801) 537-9251 for authorization.** This authorization requirement does not apply to political subdivisions of the State, such as city and county governments, public education and higher education.
